### Track **Personal Fishing Curriculum**

- Age at the beginning of the practice
- Chronology of the main phases and experiences of growth in the experience
- Fishing areas / waters frequented (Italy and abroad)
- Known fishing techniques
- More fishing techniques to practice
- Estimated number of fishing trips / year
- Any accompanying activities carried out
- Any in-depth courses / specializations made on subjects covered by the in-depth course (tourism, fishing, safety, responsibility, languages, etc.)
- Main reasons that pushes the interested party to join the course of fishing guides
- Any references (any names of fishermen already guided and not to which to refer to receive information on the candidate)
